

Hillsborough Elementary School Home and School Association January 2020 Meeting 4/15/2020

Erika Marini, HSA President, opened the meeting at 7pm.

Welcome

There were 13 people in attendance via Zoom.

Minutes

Minutes were approved.

COVID-19 Fundraiser

\$910 was raised in 2 days! Anyone who would like to donate, can do so via the link posted on the HSA website. Amazing support from our HES community. We will let the fundraiser run for another few weeks, and then start scheduling meal deliveries to our first responders and healthcare workers.

4th Grade Day

The 4th Grade Day team has raised about \$1200 for this event and are starting to look at alternate options for a virtual celebration. T-shirts are ready, need to be picked up from the vendor. Yoga Night was a great success, raised \$174 dollars total and was easy to run.

Yearbook

We sold 274 yearbooks and will not purchase any extras for sale at the end of the year. If school does not resume this year, we will have to figure out a way to distribute yearbooks to those who ordered. We also sold 47 Grad Ads, which totals about \$700.

STEM Fair

The 2020 STEM Fair was cancelled due to COVID-19. The event was coming together well. Andrew mentioned that he collected fees from participants, and is trying to come up with a way to do a virtual STEM Fair or some alternate option to let children share their work if they are interested. More to come on this.

Life Skills

Most classes were completed prior to the COVID-19 Shutdown. No report from chairperson.

Paint Night

Paint Night was a big success, raised \$510 for the HSA. Thank you to Kim Brogan for putting this great night together!

Book Fair

The spring book fair was great and raised a lot of money for our HES Library. Thank you to all that volunteered and helped to make this another successful book fair.

School Supplies

Emily reported that she is going to start to put together supply lists by grade. She will contact vendor to see if there are any accommodations that can be made for delivery due to COVID-19. We are unsure when/if the school will be open during the summer, so arranging delivery of supplies could be an issue.

Erika Marini, President of the HSA, closed the meeting at 8:15pm.
