Treasurer's Report (Fundraising Ideas/updates)

4th Grade Day added \$149 in the month of January, plus the money from Zumba. See Treasurer's report for specific financial details.

4th Grade Day

Smoothie King Fundraiser was today. Family Yoga is 2/27, flyer will go home this week. Registration will also be posted on Community Pass. Grad Ads will go live on Community Pass the same day as Yearbook Sales go live. Grad Ad flyers will go home soon. Kristin is scheduling a clothing drive fundraiser for March. Next VIP Concert is in March 17, TV raffle tickets will be sold that night.

Yearbook

Yearbook sales will kick off at the end of February. We will only order what we have pre-purchased. Any extras that may be available would be sold first come first served starting with 4th Grade and moving backwards by grade to Kindergarteners. 4th Grade Ads will be sold at the same time in support of 4th Grade Day for \$15 per ad.

Logo Wear

Logo Wear sale will be kicking off shortly. We are looking at selling shorts and dri-fit t-shirts. Sales will be exclusively on Community Pass this year.

PICTO

PICTO went well. Thank you to all of our volunteers and amazing staff for helping to make this night special for all of our HES families. Our profit for the event was \$7,668.50, which is slightly less than we've made in previous years. The main difference was in the area of the basket raffle. Next year's PICTO theme has been chosen...it will be 90's!

STEM Fair

Andrew has opened registration for STEM Fair. T-shirts are being sold again this year, using one of the designs from last year. Konstella will open up for parent volunteers this week. We will need to figure out judging volunteers (teachers and community members).

Zumba

We made \$275 at the Zumba Night fundraiser. It was a great event, fun for both children and adults. Renata C. said she would be willing to run the event for us again next year.

Life Skills

No report from Chairperson.

Paint Night

We have sold 25 tickets so far; capacity is 80 painters. 4th Grade Day committee will sell food as a fundraiser.

Book Fair

1st week of March. There will be family night, just not sure about the reading aloud. We will need parent volunteers. Danni will reach out to parents through Facebook/Konstella to see if we have interest to put this together.

Teacher Forum

Science Assembly kick off was wonderful! Great assembly.

Principal Forum

Playground- good news and progress regarding the playground opening up. We should look ahead at the next year for some fundraising ideas. Water filling stations, laminating machines, paying off the playground.

Erika Marini, President of the HSA, closed the meeting at 8:15pm.
